Re the estimate for Rs 33,500/- for metalling and painting with asphalt the Krishnaraja Bouleward, Mysore

---

With reference to your letter No L 787/R dated 16th July 1946 returning the estimate for the above, which has been duly scrutinised by the Chief Engineer for Rs 32,000/- for only for resubmission after the current year's Budget is sanctioned, I have the honour to forward the same herewith for favour of sanction and return, as the Budget estimates have since been received sanctioned.

Since it is not possible to meet the cost of this work out of the normal budget grant of this office, it is requested that a special grant to the extent of Rs.32,000/- may also be sanctioned to take up and complete this work during this year Since this important road has gone very bad and requires urgent improvement, it is requested that the estimate may kindly be sanctioned and funds provided very early

The file of papers received with your letter under reference is herewith returned

I have the honour to be,
Sir,
Your most obedient servant,

Dear Mr Mallaradhya,

In continuation of this office No D_2 C 290/45-46 dated the 27th December 1946 forwarding for sanction the estimate amounting to Rs 32,000/- for metalling and painting with asphalt the Krishnaraja Bouleward in Mysore, I write to inform you that this Bouleward, which has been named after His late Highness Sri Krishnaraja Wadiyar has been in a very bad condition and requires to be immediately metalled and painted with tar to make it appear decent The bad condition of the Bouleward was noticed by the former Dewan Mr N Madhava Rao and instructions given to improve it very early Hence this estimate may kindly be sanctioned very early with allotment of special grants, as the Trust Board cannot meet this expenditure out of its own funds.

In this connection, I wish to inform you that the lawn and avenue in this Bouleward is now in charge of the Garden Department The gardens are being maintained in a very unsatisfactory way In case that Department cannot maintain the garden properly the same may be arranged to be transferred to the Trust Board for maintenance along with the funds required for the purpose If the estimate for Rs 32,000/- referred to above is sanctioned and funds allotted for taking up the work at once, the further maintenance work will be attended to by this office, provided necessary funds are allotted as detailed below -

1) Capital expenditure

For improving the avenue in the Bouleward and providing cement tree guards	Rs. 9,000
2) Annual maintenance charges	1,000
Total	Rs. 10,000

Yours sincerely,
